COURSE SELECTION SHEET--YEAR 11 2018

COURSE SELECTION INSTRUCTIONS

Although the school makes every effort to accommodate all choices, insufficient students choosing a course and/or grid line clashes may result in some students having to reselect. You will be informed should you be affected by this. It is *your* responsibility to ensure that your selections qualify you for any future course or desired career and that these units are appropriate given your previous achievement.

1. Choose **SIX** courses, as described in the *Senior School Curriculum Guide 2018*

Select your first six choices, **ONE ON EACH LINE** in the table provided ensuring that you have chosen at least one List A and one List B course (see the Senior School Curriculum Guide for details).

2. Choose **Reserve** courses

Choose three extra *courses* to act as “reserves” for lines 3-6. Make sure that these are written on the Course Selection Sheet.

3. **Approval** for each selection

When you have chosen the six courses you wish to study, and your reserve courses, make sure that you have selected recommended courses. If you have selected non-recommended courses, you must complete an *Inappropriate Course Selection form, found on page 6 (one form for each non-recommended course)*.

Please note:

Approval: On the basis of past performance and current achievement, this selection is:

1. **Recommended:** The student is considered likely to succeed in these units.
2. **Not recommended:** The student is considered unlikely to succeed in these units and page 6 of this document needs to be completed if the student wishes to have their prerequisites reassessed at the end of the year.

Reserve choices: It cannot be guaranteed that all offerings will run.

4. Read and sign below:

I have made my six selections for Year 11, 2018 and three reserve choices. I understand that it cannot be guaranteed that all offerings will be able to be run in 2018. A timetable will be constructed based on student choices. If clashes of courses occur, my reserves may be used, or I may be asked to select again.

- In order to gain direct entry to University, my son/daughter must study at least four courses that lead to external exams, including English or English as an Additional Language/Dialect.
- Direct entry to University courses may require the completion of prerequisite or recommended course units in senior school.
- I take full responsibility for my son's/daughter's outcomes if I do not accept the school's advice.
- Some offerings studied in Year 11 might not continue into Year 12 in 2018.
